Free vaccine for eligible groups People most at risk from the complications of flu are recommended to get a flu vaccine every year. This winter it is especially important with flu and Covid-19 both in circulation. Research shows that if you get both at the same time you may be more seriously ill.

Due to high demand for the flu vaccine, there may be some delays getting a vaccination appointment. Your GP surgery or pharmacy should be able to tell you when more appointments are available.

If you are eligible for the free flu vaccine, you may get it either from your own GP practice or any pharmacy offering NHS flu vaccinations. The NHS website explains in further detail [who is eligible for a FREE flu vaccine](#).

REMINDER: Is there someone you would like to nominate to receive a gift from the West Berkshire Community Santa?

The Community Santa deadline for nominations for gifts is Monday, 9th November.

This year has been difficult for so many of us but some local people have been particularly impacted by Covid-19. For this reason, West Berkshire Council is organising a "Community Santa" gift giving project to let those who are struggling know that others are thinking of them. Once the project has formally launched in mid November, residents will be able to go to a confidential online platform to select an anonymous person for whom they will then buy a gift.

Before the online platform goes live, we need nominations for people to receive the gifts and volunteers to distribute them. So we're calling on YOU - the very groups who have been supporting your neighbours through this difficult time - to nominate someone in your community who would benefit from a special treat this festive season. Perhaps you know someone who has been self-isolating alone for a long period of time, or someone who has lost a loved-one recently. Maybe you know a family who have been experiencing unemployment as a result of the current situation or someone whose mental health has suffered during lockdown.

Following your nominations, an anonymous description of the nominee (age/gender) will be posted on the Community Santa gift-giving site. Residents will be invited to visit this confidential platform to let us know who they'd like to purchase a gift for, and then drop off the gift they buy at designated collection points.

If you feel someone of any age/gender/faith in your town or village is having a difficult time and deserves a treat, and you are willing to be responsible for distributing the gift purchased by a resident, please email your nominations to communitysanta@westberks.gov.uk and we'll do the rest. Please do NOT include any personal details such as name or address – we only need to know the age and gender (male/female/not specified) of each recipient, and contact details for the group. Deadline: Monday, 9th November.

If you have any questions, please feel free to email the team at: communitysanta@westberks.gov.uk
