

Dowsing day is on the Saturday 12th July, 2pm till 4pm. Parking is on the road at both RG17 9DS and RG17 9DD. Please don't park in front of driveways. The dowsing event is at RG17 9DN but there is no parking in the field that we are dowsing in. The dowsing area is quite uneven and has some weeds growing so please come prepared.

Entry is £5 per couple and the £5 includes one set of our dowsing rods. This is a very different way to spend your Saturday afternoon and a rare opportunity to dowse! Come and give it a go!
